By entering, you agree to these **RULES OF BEHAVIOR:**

CHECK-IN: Access and your stay at the campsite is regulated by the management of L'Urteia. Before occupying your pitch, you must register your personal details: it is required to show an original document for each guest.

PETS are allowed up to a maximum of 1 per pitch, unless by previous agreement with the Management. Dogs must always be kept on a leash. For reasons of hygiene and decorum it is absolutely compulsory to accompany your pets to the fenced dog area for their needs, where it is mandatory to pick up dog poop. Absolute ban on dogs in the bathroom and showers.

We recommend that you don't leave food and drink unattended in the outdoor area: they may attract wild animals and insects.

WASTE must be placed in the appropriate recycling containers available in the designated area, following the instructions. Rubbish must be **strictly sorted by type** (plastic, paper, metal, glass, compostable, etc.). Please recycle as much as possible and reduce the amount of non-recyclable waste. Management reserves the right to check your garbage. Non-compliance with disposal rules may result in expulsion from the campsite.

It is forbidden to light fires on the pitch, so as not to litter the ground with coal or ash. There are two barbecues at your disposal: they can burn charcoal only and NOT WOOD. The grills must be washed after use.

Playing ball and taking bicycles or other vehicles into the toilets is prohibited. Don't empty chemical water in the toilette facilities.

Access to the **SWIMMING POOL and SOLARIUM AREA** is subject to compliance with the specific Regulations displayed at the entrance.

Do not leave objects on the lawn, including stones or toys, TENT PEGS or STAKES. **CROSSING THE LAWN with vehicles and bicycles is prohibited. Use the stone paths and park on the gravel pitch.** Guests are obliged to occupy only the space allocated by the Management: it is forbidden to move or park vehicles or other objects outside the allocated space.

We hope you ENJOY OUR GARDEN; please do not tear up plants, fruits or flowers. Don't empty any liquid on the pitch (including cooking water, oil or drinks). It is highly prohibited to wash vehicles in the area. Sometimes we have to manage lawns and trees or other facilities: please to excuse us for the inconvenience. Please report any malfunctions or problems with the services. Pitch must be left clean and free of any objects before check-out time limit. Late check-out will result in the payment of an additional rate.

Dogs or children must always be supervised by an adult.

For everything that is not reported, we hope for your civilized and respectful behavior towards others.

Failure to comply with these rules may result in removal from the campsite.

Natural disasters and weather events: the property is not liable for any damage to persons, animals and objects resulting from climatic events and *force majeure* (falling branches due to wind, storm, hail). In the event of bad weather conditions or other necessities that may arise, the Management reserves the right to postpone/bring forward the opening/closing of certain services or facilities.
